

Event Report Card

Event Name: AVSC Picnic
Event Date: July 4, 2013

Scoring:

- Excelled
- Met requirements
- Just missed requirements
- Did not meet requirements

Without a green rating for both waste and giveaways, no event may receive an overall green score.

Overall Effort: ●

Waste Stations	●
Giveaways/Sponsors	●

Scoring and comments are based on ZGreen checklist requirements including employee knowledge, education, giveaways, printing, waste stations, bulk distribution, water, and decorations.

Comments: This was another year of a great ZGreen event. The waste stations were all paired and some were staffed during busy times. No bottled water was sold or given away at the event, and all the giveaways were reusable. Drinks and condiments were offered in bulk containers, decreasing packaging waste.

Opportunities for Improvement:

The education sign that AVSC usually uses was missing this year and there was no other effort made to educate attendees about the event's greening efforts. ZGreen offers many resources to help with this requirement. Please let us know if you need wording for a sign or other ideas for educating the public.

The waste stations could have been clearer if the trash bins were clearly labeled as trash. ZGreen provided signs, but they were not used.

This report card will be kept on file and referenced for future events. It will also be made available to the public on our website. Please contact us at ZGreen@cityofaspen.com or (970)429-1798 with questions or comments.
