

Aspen Sister Cities Scholarship/Loan Request Form

Applicants to Aspen Sister Cities student exchange programs have the opportunity to request financial help to defray the cost of a program. Most scholarships are limited to \$500. Please start by filling in this information:

Date _____

Name of student applicant _____

Parent/Guardian Name(s) _____

School _____

Next, please write a letter that includes the following information:

- 1) Reason for financial aid request
- 2) Approximate family household income and expenses
- 3) Housing status (do you rent or own?)

** Please include a copy of your 2013 tax return form (this may be submitted by April 20th if necessary)

NOTE: The interview committee will not know about scholarship requests in order to ensure the integrity of the selection process. An independent Sister Cities scholarship committee will personally review each financial aid request and then most likely meet with each applicant before financial help is awarded.

This form must be submitted to with original student exchange application no later than April 2, 2014 in order to be considered.
