

RFTA TRANSIT IMPACTS AND DELAYS

RFTA SERVICE ALERT

MAROON CREEK ROUNDABOUT REPAVING

The Colorado Department of Transportation will repave the Maroon Creek Roundabout located on HWY 82 and Maroon Creek/Castle Creek on **TUESDAY, MAY 24TH**.

Commuters please be aware of delays and route changes for Local, BRT, Castle Maroon and Burlingame routes. Impacts begin at 7:00am, please allow yourself extra time to get into/out of Aspen.

RIDING RFTA DURING THE ROUNDABOUT REPAVING

- **LOCAL/BRT UPVALLEY** - Expect delays during peak commute times. Re-routing will occur during full closures, buses will travel up valley until reaching the Intercept Lot and will re-route via McClain Flats.
- **CASTLE MAROON** – Expect delays for this route in the morning. During mid-day full closures the Castle Maroon Service may not become available until further notice.
- **BURLINGAME** - Delays for this route will be impacted during the day. Buses to/from Burlingame may be re-routed via McClain Flats.
- **RIDERS WISHING TO ACCESS BUS STOPS IN BETWEEN 8TH ST AND AIRPORT DURING MID-DAY FULL CLOSURE:** RFTA will be providing a designated shuttle bus for stops including AMF, AABC, Buttermilk, Aspen Country Inn and Truscott for passengers that are in need of these stops during full closures. This shuttle will loop around starting at the Intercept Lot, if you wish to access these stops, please be aware of the transfer that is needed at the Intercept Lot.
