**The listed vehicles must be inspected and approved by a cross-connection technician before this permit is issued. All vehicles without an air-gap must have a permanently installed backflow device.**

**Please maintain your equipment. Wasting water is considered misuse of City property and can result in revoking your permit and/or loss of your deposit.**

**Warning:** "It shall be unlawful for any unauthorized person to open or operate any fire hydrant, draw water therefrom or obstruct the approach thereto. City of Aspen Municipal Code, Section 25.08.030(b)." "City of Aspen Municipal Ordinance 13.08.110 prohibits idling of any vehicle for more than five minutes."

It is understood the Permittee will maintain an accurate Filler Hydrant Draft Record indicating all filler hydrant draw-offs and make payment to the City of Aspen Water Department for water used at the current rate of \$4.96 per thousand gallons. The usage charge for filler hydrant water usage will be \$15.00 per visit and is added to charges for actual water usage. **Please send payment for filler hydrant draw-offs at the end of each month to the City of Aspen Water Department, 130 South Galena Street, Aspen, CO 81611.** A damage deposit of \$250 per vehicle up to a maximum of \$1,000 will be required to cover possible misuse or damage of City property up to and including the filler hydrant and related appurtenances. The damage deposit will be refunded at the end of the construction season provided there has been no damage to the City property or violations of the permit as stated above. Please call 970-920-5110 with questions.

The permittee acknowledges and accepts all liability and conditions of use, as stated in this permit, and has been instructed in the proper use of the filler hydrants.
